ABOUT ME

I'm a front-end designer who loves mixing clean code with creative design. Whether it's a website, a user interface, or a visual story, I enjoy making things look great and work smoothly. I'm always learning, improving, and ready to take on challenges that help me grow and build better experiences.

WORK EXPERIENCE

Apr, 2024–Present

DESIGNER/DIGITAL MARKETING

EECC , Saudi Arabia

- Designed, developed, and deployed corporate websites for EECC KSA and its subsidiaries — ensuring modern UI/UX, responsive performance, and secure hosting.
- Created professional marketing materials including corporate profiles, product sheets, social media assets, and event-ready promotional graphics.
- Led brand presence on LinkedIn — planning content, writing copy, designing carousel posts/visuals, and driving engagement aligned with the company's business goals.
- Executed comprehensive SEO strategies including keyword research, technical SEO fixes, content optimization, analytics tracking, and ranking improvement for key industry terms.

Nov, 2022–Oct, 2023

SOFTWARE DEVELOPER INTERN

Cloodot , India

- Collaborated with the UI team to enhance usability and improve UI/UX consistency.
- Contributed incremental UI enhancements and participated in debugging to maintain product quality.
- Gained hands-on experience with TypeScript, Next.js, Chakra UI on the frontend, and exposure to Node.js, MongoDB & GraphQL on the backend.
